Hi Karen

Keeping you in the loop.....

While it's unclear if EPA will send written comments, and if so, what they will cover....since they're due a week from today forwarding what Tim sent me a bit ago. I'll review and provide comments on the attached and share my comments with you.

Also, wondering if the OGC phones are offline today, just called it got the message telling me the number didn't yet have a mailbox set up ☺

Connect with you soon, I'm sure!

Thanks,

-Sara

Subject: BLM's Fed. Reg. Notice Exemption list and PTC List: Draft EPA Response Letter and Comments

Hi Scott and Sara,

In an effort to keep things moving, I prepared a rough(!) draft of a potential letter to the BLM-WY, with an Enclosure containing specific comments, that provides EPA's comments on the BLM's 12/29/16 Federal Register Notice regarding their draft UGRB

general conformity Exemption list and PTC List.

Please find attached:

- The 12/29/16 Federal Register Notice (81 FR 96033)
- Draft cover letter for our potential comments
- Enclosure containing our potential comments

Please see what you think!

Thanks!

Tim
